

Saturday Nature Series

Join us in the Nature Center as we explore the world around us!

Times: 1pm - 2pm

Fee: \$3/member - \$5/non-member per date

Ages: Open to all

Dates:

March 2nd - Bird Watching 101: Learn some basic bird watching tips. Bring your own binoculars and field guide or borrow ours.

March 9th - Beavers at Eden Mill: Learn about this wonderful Eden Mill resident.

March 16th - Recycled Craft: Make a craft using recycled materials.

March 30th - Outdoor Scavenger Hunt: Meet up in the Nature Center for a fun outdoor treasure hunt with our naturalist. Afterwards we will take all our treasures indoors and create nature inspired crafts

April 6th - Tracks in the Mud: Meet in the Nature Center and learn how to identify a few animal tracks then take a short hike and gets some hands on experience!

May 4th - Who Lives in Deer Creek? Meet a few creatures that live in Deer Creek and take a short hike to explore the habitat that these creatures live in.

May 11th - Meet the Critters: Meet our snakes and turtles up close and personal.

May 18th - Nature Drawing: Sketch or draw an animal as you learn more about our local fauna.

May 25th - Outdoor Scavenger Hunt: Meet up in the Nature Center for a fun outdoor treasure hunt with our naturalist. Afterwards we will take all our treasures indoors and create nature inspired crafts.
